SUMMER ADVENTURE GUIDE

Frederick County, MD

1. Monocacy National Battlefield - Self guided auto tour is great for families who want to learn early American history and explore without the heat and crowds.
2. Cunningham Falls State Park - Hike the trail to the 78-foot cascading waterfall, make friends with birds at the aviary, or just relax on the beach.
3. Sophie & Madigan's Playground - Honoring the lives of Sophie and Madigan, this playground is filled with themed structures and activities.

To learn more about children's natural ways of learning and the life-long value of play, listen to our guest speaker:
